WIRELESS KEYPADS

377 LM

ITEM NUMBER: 2345
PRICE: \$65.89

Get the added convenience of being able to open your garage door without using a remote control or key. This wireless keyless entry system opens the garage door by a code that you program directly into the unit.

387 LM

ITEM NUMBER: 3595
PRICE: \$66.50

Compatibility meets technology and performance. Our Universal Keyless Entry is designed to work with a variety of garage door opener brands, giving you convenient, secure access to your garage and home.

877 LM

ITEM NUMBER: 5338
PRICE: \$65.89

Wireless Keyless Entry System for Security+2.0™ can open the door using a private 4-digit code you program directly into the unit. You can also program it with temporary access codes for visitors or delivery and service personnel so they can gain access to your garage without having to give them your personal code.

877 MAX

ITEM NUMBER: 4797
PRICE: \$70.00

Get convenience on the go. This wireless keyless entry system lets you open or close your garage door without using a remote control or key. Plus, it works with all LiftMaster® garage door openers manufactured since 1993.

LiftMaster[®] Garage Door Openers

CONTROL PANELS

880 LM

ITEM NUMBER: 4799
PRICE: \$66.60

Take complete control of your garage with our Smart Control Panel®. Its intuitive menu-driven panel lets you easily program remote controls, adjust settings, and even get system diagnostics.

888 LM

ITEM NUMBER: 5087
PRICE: \$71.89

Upgrades your LiftMaster Security+® garage door opener (manufactured after 1998) to enable you to control your garage door opener, gate operator, and home lights using your smartphone or computer. Each garage door requires its own MyQ® Control Panel.

829 LM

ITEM NUMBER: 5234
PRICE: \$60.00

Monitor and close up to four garage doors or gates from any room inside your house. Green and red LEDs indicate whether the garage door or gate is open or closed. Compatible with MyQ®-enabled garage door opener or Model 888LM.

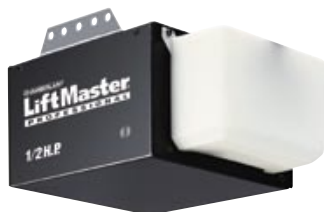

828 LM

ITEM NUMBER: 4795
PRICE: \$97.57

The LiftMaster 828LM Internet Gateway, which connects to your router and enables smartphone control, does this by letting you monitor open and close their garage door or gate from anywhere and control home lighting.

ITEM NUMBER: 2781
PRICE: \$2,365.00

1/2 HP commercial or industrial slide gate operator, 120 VAC. Continuous use. Foot pedal emergency release. Max gate size & weight: 35 feet @ 1,000 pounds. H: 26" L: 16" W: 16.5"; 125 pounds machine weight.

SWING GATE OPERATORS

RAM 30 UL-325

ITEM NUMBER: 2793
PRICE: \$1,932.00

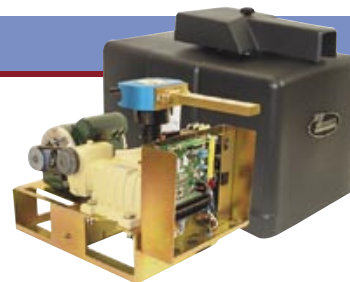

1/2 HP commercial or industrial slide gate operator, 120 VAC. 20 cycles per hour. Foot pedal emergency release. Max gate size & weight: 12 feet @ 400 pounds. H: 26" L: 16" W: 16.5"; 125 pounds machine weight.

RAM 300 UL-325

ITEM NUMBER: 2794
PRICE: \$2,586.00

1/2 HP residential or commercial swing gate operator, 120 VAC. Continuous use. Foot pedal emergency release. Max gate size & weight: 18 feet @ 800 pounds. H: 27" L: 20" W: 15"; 110 pounds machine weight.

RAM 302 UL-325

ITEM NUMBER: 2802
PRICE: \$2,565.00

1/2 HP, 115 VAC, high traffic swing gate operator. Gates: up to 18 feet; up to 700 pounds. W: 13.5" L: 23" H: 16.5"; 100 pounds machine weight.

OVERHEAD GATE OPERATOR

RAM 2000 UL-325

ITEM NUMBER: 2785
PRICE: \$2,181.00

1/2 HP commercial or industrial overhead operator. 120 VAC. Continuous use. Pull out emergency release. Max gate size & weight: 20 feet @ 450 pounds. H: 10" L: 143" W: 13"; 135 pounds machine weight.

RAM 3000 UL-325

ITEM NUMBER: 2795
PRICE: \$2,781.00

1/2 HP, 120 VAC commercial or industrial swing gate operator. Manual emergency release. Max gate size & weight: 22 feet @ 1,000 pounds. H: 28.5" L: 23" W: 18"; 150 pounds machine weight.

RAM 3030 UL-325

ITEM NUMBER: 2803
PRICE: \$6,307.00

3/4 HP commercial or industrial slide gate operator, 120 VAC. Continuous use. Max gate size & weight: 22 feet @ 3,000 pounds. H: 26" L: 16" W: 16.5"; 125 pounds machine weight.

SLIDE GATE OPERATORS

SL-90 DC

UL-325

ITEM NUMBER: 4427
PRICE: \$2,480.00

The SL-90 DC is smaller and more cost effective. Smooth quiet operation and full time battery back up capable of up to 150 cycles in the event of a power failure. Max gate size & weight: 40 feet @ 1,200 pounds.

SL-100

UL-325

ITEM NUMBER: 156
PRICE: \$2,130.00

½ HP, 115 VAC slide gate operator. Emergency Release: Can be pushed open when power is off. Control Board: Solid State board. Max gate size & weight: 35 feet @ 1,000 pounds.

SL-100 DC

UL-325

ITEM NUMBER: 3792
PRICE: \$3,020.00

½ HP, residential slide gate operator. 24 VDC brushless motor. Solar power compatible. Max gate size & weight: 45 feet @ 2,000 pounds.

SL-150

UL-325

ITEM NUMBER: 160
PRICE: \$2,720.00

½ HP, 115 VAC commercial slide gate operator. Emergency Release: Foot pedal release. Control Board: Solid State board. Max gate size & weight: 35 feet @ 1,000 pounds.

SL-150 DC

UL-325

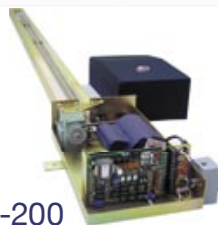

ITEM NUMBER: 3873
PRICE: \$3,600.00

½ HP SL-150 DC uses an industry first brushless DC motor. Equipped with a built in loop rack, slow start/stops, and emergency mechanical foot pedal release. Max gate size & weight: 20 feet @ 3,000 pounds.

SL-150 DC

OVERHEAD GATE OPERATORS

OH-200

UL-325

ITEM NUMBER: 166
PRICE: \$2,200.00

½ HP, 115 VAC All-O-Matic overhead gate operator. Emergency Release: Quick disconnect. Max gate size & weight: 16 feet @ 800 pounds

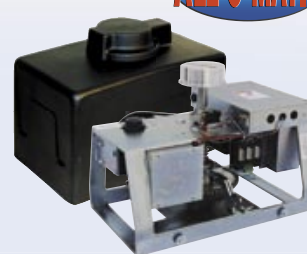

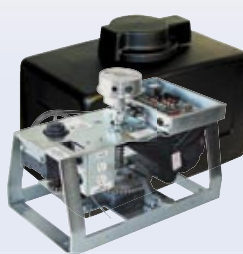

OH-200 DC

UL-325

ITEM NUMBER: 4017
PRICE: \$3,130.00

Equipped with an industry first brushless DC motor, built in loop rack, slow start/stops algorithm, heavy duty frame and parts that last a life time. Max gate size & weight: 22 feet @ 800 pounds.

SWING GATE OPERATORS

SW-300

UL-325

ITEM NUMBER: 170
PRICE: \$2,530.00

½ HP, 115 VAC swing gate operator. Emergency Release: Quick release arm. Control Board: Solid State board. Max gate size & weight: 18 feet @ 800 pounds.

SW-300 DC

UL-325

ITEM NUMBER: 4003
PRICE: \$3,470.00

24 VDC brushless Motor ½ HP swing gate operator. Continuous Duty Cycle. High torque, and smooth quiet operation. Band release Arm. Heavy duty frame and parts. Max gate size & weight: 20 feet @ 1,200 pounds.

SW-350

UL-325

ITEM NUMBER: 171
PRICE: \$3,000.00

½ HP, 115 VAC heavy duty swing gate operator. Emergency Release: Foot pedal release. Solid state control board. Max gate size & weight: 18 feet @ 800 pounds Low profile 18" tall.

SW-350 DC

UL-325

ITEM NUMBER: 4101
PRICE: \$3,930.00

24 VDC brushless motor ½ HP - continuous duty cycle. Heavy duty torque limiter, huge solid aluminum no rust no bind hub, mechanical foot pedal release and low profile design. Max gate size & weight: 22 feet @ 2,000 pounds.

MAK-21

ITEM NUMBER: 3917
PRICE: \$250.00

Allows up to 20+1 PIN codes. 4 or 5 digit codes programmable. Door reed switch input for anti-trailing. 3 LED display with audible indication. Invalid pin lock-out. Metal die casting housing with vandal resistant screws. LED lighted number keypad. Easy to see at night. Outdoor use.

MAGLOCK KIT

ITEM NUMBER: 3562
PRICE: \$390.00

We understand that the professional installer has no time to waste. The Maglock Kit was designed for quick installations. One kit, no time wasted. 1,200 pounds holding force capacity. 12 - 24V DC Power. Includes contact plates, maglock mounting plate, end brackets, power supply, and z-bracket.

MPE-90

ITEM NUMBER: 4667
PRICE: \$170.00

Modesto through beam photoelectric sensor. One sensors sends a beam, the other one acts as a receiver. Has up to 90 feet in range. Terminal block wiring connection. N.C/N.O./Common relay output. Water proof.

MPE-30

ITEM NUMBER: 3977
PRICE: \$120.00

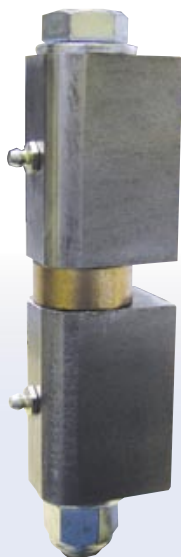

Photoelectric eye sensor providing up to 30 feet in range. It comes with a normally open relay output. Wrap around mounting bracket. Full range AC/DC 12-250V input. 2 LED indicators for power and beam alignment.

PILLOW-BLOCK BEARING HINGES

ITEM NUMBER: 2032
PRICE: \$129.00 Box of 2

The Modesto pillow block bearing hinges are designed for light duty swing gates. L-shapead steel mounting bracket for easy installation. Each hinge can hold up to 800 pound of weight load.

M2 HINGE

ITEM NUMBER: 2528
PRICE: \$65.00 Each

The Modesto M2 hinge is designed for heavy duty swing gate installations. Equipped with a brass bushing for long life and grease fittings for easy maintenance. Each hinge can hold up to 1,200 pounds of weight load.

8" UPHILL HINGE

ITEM NUMBER: 2038
PRICE: \$120.00 Each

The Modesto 8" uphill hinge is designed for gates requiring an inclined swing. Equipped with a brass bushing and grease fittings. Each hinge can hold from 600 to 1000 pounds weight load on a 8 to 10 foot swinging gate.

16" UPHILL HINGE

ITEM NUMBER: 2036
PRICE: \$136.00 Each

The Modesto 16" uphill hinge is designed for gates requiring an inclined swing. Equipped with a brass bushing and grease fittings. Each hinge can hold from 600 to 1000 pounds weight load on a 8 to 10 foot swinging gate.

4" Diam.

TRACK ROLLER

ITEM NUMBER: 3811
PRICE: \$34.00 Each

The Modesto track roller is designed for overhead gate hardware. Its unique design allows for a quick and effortless installation. The one piece threaded shaft comes with a nut to keep the roller in place. By far, the best track roller in the industry.

TRACK ROLLER BRACKET

ITEM NUMBER: 3956
PRICE: \$20.00 Each

The Modesto track roller bracket is designed for overhead gate hardware installations and used to hold track rollers. Designed with Improved 45° angle for easy installation and maintenance.

DESIGNED FOR THE PROFESSIONAL INSTALLER

4" UHMW V-WHEEL

ITEM NUMBER: 3396
PRICE: \$25.90 Each

The Modesto 4" UHMW v-wheels with brass bushing are designed for light duty residential sliding gates. UHMW material makes wheel roll smoothly and quality. The UHMW wheels have a gate weight capacity of 450 pounds.

4" UHMW V-WHEEL

ITEM NUMBER: 3395
PRICE: \$37.90 Each

The Modesto 4" UHMW v-wheel with sealed bearings is designed for light duty residential sliding gates. The sealed bearings give this wheel a longer life, higher weight capacity and smoother roll. The UHMW wheels have a gate weight capacity of 750 pounds.

4" STEEL V-WHEEL

ITEM NUMBER: 2674
PRICE: \$45.90 Each

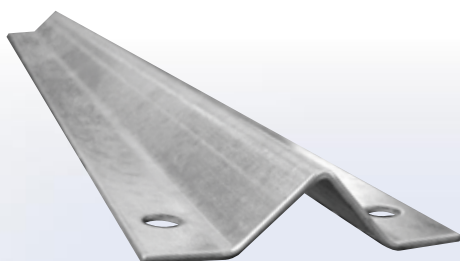

The Modesto 4" steel v-wheel with sealed bearings is designed for high traffic residential or commercial sliding gates. Each wheel is designed to withstand heavy sliding gates up to 1,500 pounds of weight load.

4" STEEL V-WHEEL

ITEM NUMBER: 4081
PRICE: \$75.00 Each

The Modesto 4" thin steel v-wheel with sealed bearings is designed for high traffic residential or commercial sliding gates. It has a thinner profile. Each wheel is designed to withstand heavy sliding gates up to 1,500 pounds of weight load.

POWERTRACK®

ITEM NUMBER: 2677
PRICE: \$78.00 Each

The Modesto Powertrack® is designed for sliding gate installations. It has a 90° curved angle which makes gates roll smoother and less noise when vehicles pass. Single element design with pre-drilled holes for anchoring.

3" GUIDE ROLLERS

ITEM NUMBER: 2688
PRICE: \$19.00 Each

3" sliding gate guide rollers with an innovative, patent-pending, space-efficient, reinforced bracket. Shock mount for noise and vibration reduction. Precision ball bearings for smooth rolling. Available in white or black UHMW material.

6" GUIDE ROLLERS

ITEM NUMBER: 2689
PRICE: \$27.00 Each

6" sliding gate guide rollers with an innovative, patent-pending, space-efficient, reinforced bracket. Shock mount for noise and vibration reduction. Precision ball bearings for smooth rolling. Available in white or black UHMW material.

12" GUIDE ROLLERS

ITEM NUMBER: 2690
PRICE: \$45.00 Each

12" sliding gate guide rollers with an innovative, patent-pending, space-efficient, reinforced bracket. Shock mount for noise and vibration reduction. Precision ball bearings for smooth rolling. Available in white or black UHMW material.

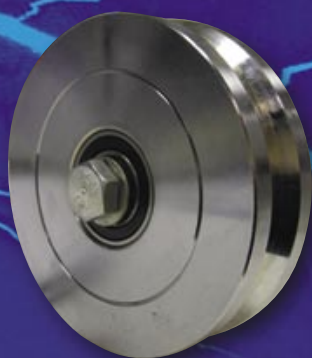

GATE HARDWARE

6" UHMW V-WHEEL

ITEM NUMBER: 4846
PRICE: \$78.00 Each

The Modesto 6" UHMW v-wheel with sealed bearings is designed for residential or commercial duty sliding gates. UHMW material allows the wheel to roll smoothly and quietly. Each wheel is designed to withstand heavy sliding gates up to 850 pounds of weight load.

6" STEEL V-WHEEL

ITEM NUMBER: 2675
PRICE: \$85.00 Each

The Modesto 6" steel v-wheels with sealed bearings is designed for heavy duty, high-traffic, residential or commercial sliding gates. Each wheel is designed to withstand heavy sliding gates up to 1,500 pounds of weight load.

5" UHMW PIPE-WHEEL

ITEM NUMBER: 4845
PRICE: \$49.90 Each

The Modesto 5" UHMW pipe wheel with bearings is designed for heavy duty sliding gates with pipe rails. UHMW material has excellent durability and allows the wheel to roll smoothly and quietly. For heavy duty gates or fences. Each wheel can hold up to 850 pounds of weight load.

5" STEEL PIPE-WHEEL

ITEM NUMBER: 2686
PRICE: \$106.00 Each

The Modesto 5" steel pipe wheel with bearings is designed for heavy duty sliding gates with pipe rails. Excellent for extra heavy gates or fences. Each wheel is designed to withstand up to 1,000 pounds of weight load.

GATE HARDWARE

END POST IDLER

ITEM NUMBER: 5290
PRICE: \$37.90 Each

The Modesto end post idler assembly is designed for rear or front post installation. Idler made of UHMW material. Weldable steel box with a cut angle allows chain to pass through with ease.

IDLER BOX ASSEMBLY

ITEM NUMBER: 5388
PRICE: \$37.90 Each

The Modesto idler box assembly is designed for rear, middle, or front post installation. Perfect for extra long gates with sagging chains. Weldable steel box with holes for bolts. Idler is made of UHMW material.

IDLER WHEEL

ITEM NUMBER: 4385
PRICE: \$37.90 Each

The Modesto idler wheel is designed to replace the motor idler wheels. It can also be mounted as an end idler. Made of UHMW material. It comes with bolt and nut.

GATE CATCHER

ITEM NUMBER: 4279
PRICE: \$49.00 Each

The Modesto gate catcher is designed to secure sliding gates when they are closed. It includes a rubber cushion to reduce slamming noise.

TERMS OF SALE

Customer is aware that there are no returns, refunds, or exchanges for equipment that is suspected to have been in use or installed after purchase. No returns refunds or exchanges will be given to unused equipment that is not returned in its original packaging. If packaging is torn or damaged, restocking fees will be applied. The restocking fee for returned items is 15% of the item purchase price. Electric Gate Store, Inc. reserves the rights to determine if equipment is deemed returnable. No returns, refunds or exchanges will be given for equipment returned after 30 days.

WARRANTY OF EQUIPMENT

All warranties will be honored by the manufacturer, not by Electric Gate Store, Inc. All warranties are subject to manufacturer's policies. All repairs, must be issued an RMA number before they can be sent out for repair. Customer is responsible for any shipping charges for equipment being sent out to the manufacturer for repair. Manufacturer determines if item being sent out for repair is under warranty terms. Customer understands that Electric Gate Store, Inc. is not responsible for any charges, damages, or losses when equipment is being sent out for repair.

PRICING

The prices in this handbook are subject to change. Electric Gate Store, Inc. has the right to change the prices without notice. All prices listed are suggested list prices and may vary depending on parts, items or additional options. Additional charges for shipping will be applied.

ATTENTION INSTALLERS!

The prices in this handbook are suggested list prices and they are subject to change. For special dealer pricing and percentage discounts please contact us at 888.361.6872.
